

I am shocked to see that Sinclair Broadcasting is using my public airwaves to air a smear campaign against Senator Kerry. They have no right to take such a partisan action.

This is a gross misuse of the public trust. We the public have no recourse except to voice our anger at this action and ask the FCC to revoke their ownership of 60 local broadcasting networks. Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Please take action on behalf of my husband and myself and all of the citizens of this country who do not want to see a biased slant to programming before the election.

Sincerely yours,
